TRADE INFORMATION

ELITE GLASS—is manufactured in our own factory at Star City, West Virginia, by highly-skilled workmen, under expert supervision.

GLASSWARE—illustrated in this catalogue are standard items, available at all times. A full stock is maintained both at the factory, and at our New York Warehouse.

SPECIAL MOULD WORK—We invite inquiries from jobbers and manufacturers on glassware involving special moulds and shapes.

STANDARD PACKAGES—The great majority of our items are packed in especially designed cartons. These cartons contain as few pieces of each item as is economically practical, and for that reason we cannot accept orders for less than full carton quantities.

ROUTING—When placing orders for merchandise, please specify thereon, the exact manner in which you desire shipment made, i.e. freight, express, etc. In the absence of specific instructions, we reserve the right to use our own judgment in routing shipments.

CLAIMS—Our packing and shipping is done with the greatest of care, and the contents of all shipments is carefully checked before turning the merchandise over to the carriers. For that reason we will not be held responsible for loss or damage in transit. All claims for losses of this nature should be filed with the transportation company immediately upon receipt of the shipment.

TERMS—Strictly 1% 15 Days, F.O.B. Star City, West Virginia.

CANDLEPOWER DISTRIBUTION

NO.1916 OPAL GLASS GLOBE*

Rendered to Elite Glass Co., Inc.

One globe and hanger submitted and tested in accordance with client's instructions, i.e., lamp size.

Lamp - 200 Watts; 120 Volts; 3700 Lumens; PS30

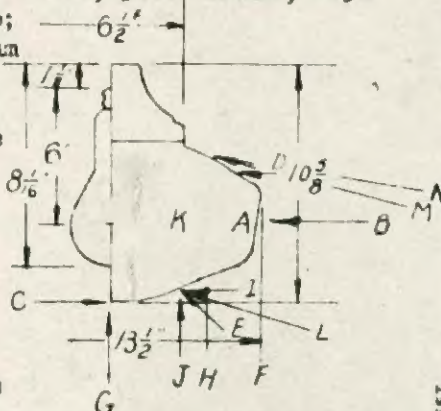

Inside-Frosted Bulb;

C-9 Filament; Medium

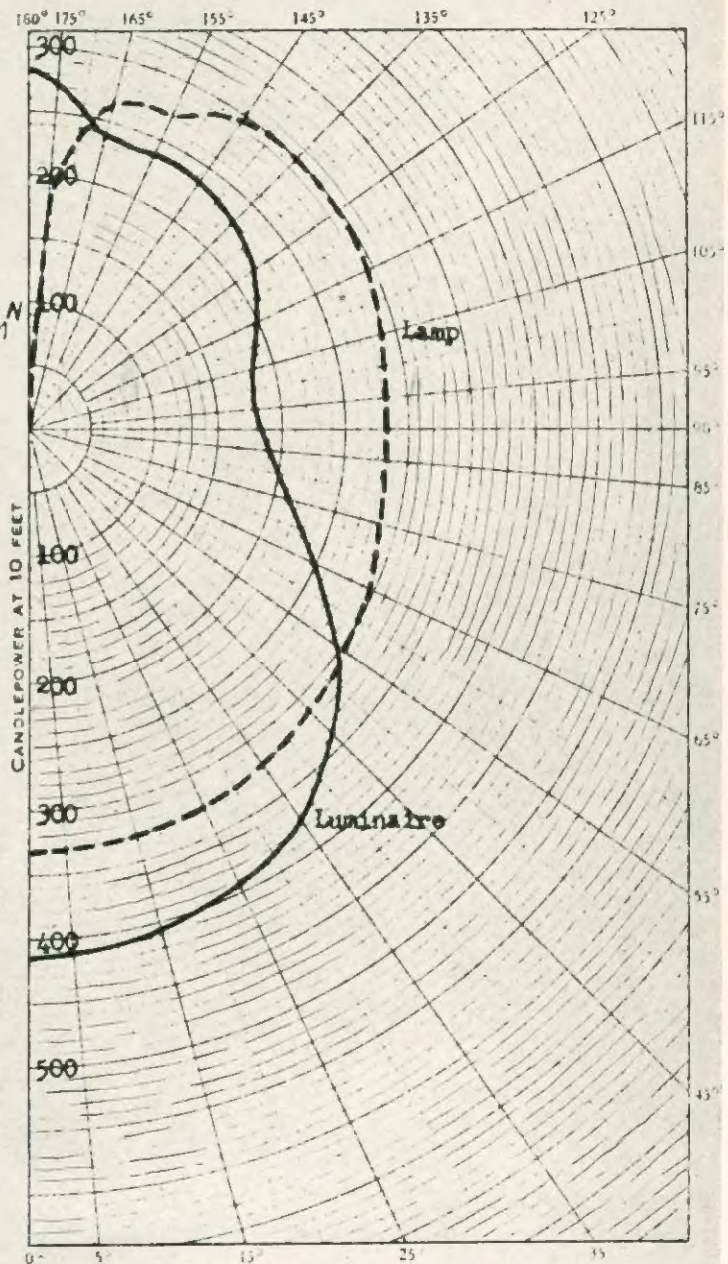

Base; General

Service.

Hanger - Metal, white enamel painted inside, reflection factor 0.85.

White Diffusing Glass
Weight - 2 lb 11 oz
